FLEXCAP

Wesley Housing Taps Flexible Financing Tool for Affordable Rental Units

HPN members have access to HPF FlexCap, a high-leverage bridge/acquisition loan product from the Housing Partnership Fund. It features a low-interest rate and flexible underwriting criteria for a variety of strategies – from a “buy and hold” approach bridging long-term financing to supporting acquisition and redevelopment. HPF is committed to meeting the capital needs of HPN members and closed its first FlexCap loan in January 2022 with Wesley Housing. Since closing this loan, HPF has closed FlexCap loans to the National Housing Trust, Arlington Preservation of Affordable Housing, Enterprise Community Development, Victory Housing, and Tristar totaling \$62.2MM.

DEEP INVESTMENT IN NEIGHBORHOODS

Rents rose rapidly in the Arlandria-Chirilagua neighborhood of Alexandria, VA, due to a future Metrorail development at Potomac

Yard and proximity to Amazon HQ2. A Wesley Housing plan to acquire and redevelop properties nearby and surrounding its existing 33-unit Beverly Square Apartments sparked the proposal to purchase the adjacent 66-unit Parc Square Apartments and combine the two sites to redevelop and rebuild nearly 300 units. This deal will triple quality long-term affordable housing for existing and future residents.

THE SOLUTION

HPF’s lending team worked closely with Wesley throughout underwriting, approval, and closing. HPF provided certainty of execution by understanding the challenging nature of a redevelopment project and acquisition of a C-class asset. HPF also approved a higher loan-to-value before Amazon’s equity commitment and closed knowing Parc Square’s receivables were high, but that Wesley had capacity to manage the asset and obtain rental assistance.

ORGANIZATION:

LOAN-TO-VALUE

Up to 95%;
first-mortgage

DSCR

1.15 on first 80% of
principal balance
and 1.00 on
remaining 15%
