

## Property Ops Community of Practice Roundtable

Dec 6, 2019

### 10:30 – 12:00 AGENDA

**Museum A** While it is clear that vulnerable populations can live and thrive in our communities, the relationship between Supportive Housing Services and Property Management continues to pose challenges for many HPN members. We will take this time to explore the barriers our members are facing, as well as effective solutions to promote the best outcomes for our residents and site teams. We will close our session discussing the benefits of providing our site teams with specialized training in mental health, drug and alcohol recovery, chronic homelessness, and trauma.

10:30 **Welcome and Introductions**
